What were you doing at 7 this morning?

Yes, this class meets at

8:00

Not the same work faster.
Work you couldn't do before.

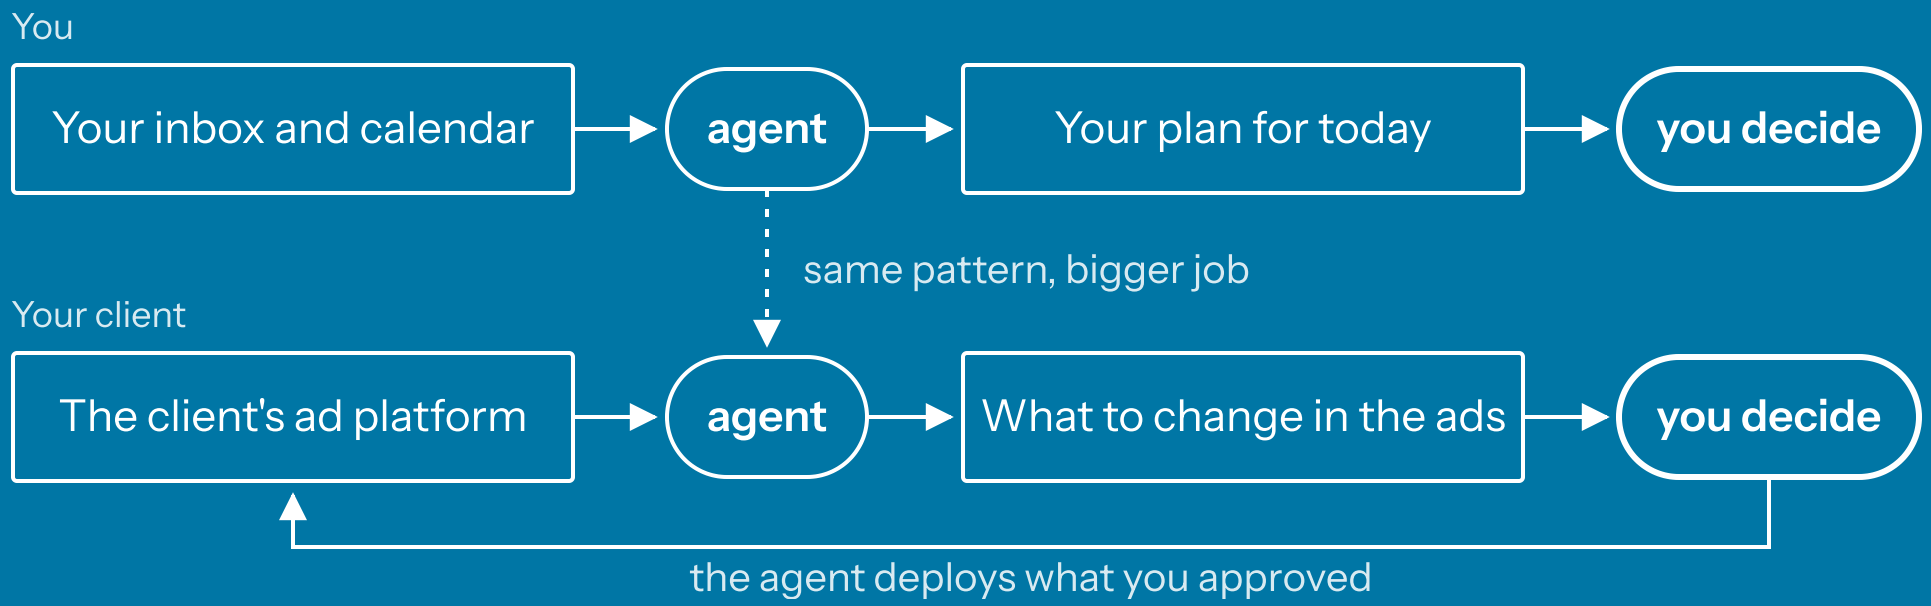

MRKT 3533 · Productivity Tools & Techniques · Spring 2027

Set up a scheduled task that gives me a morning brief each weekday at 7am: what's on my calendar, important unread emails or messages, and anything that needs my attention today. Keep it short and scannable.

 Gmail  Google Calendar

You'll spend a real ad budget for a real business.

$100 to $200 per team.

Set up your own brief tonight.

1. Turn off training on your data.
2. Decide what the agent gets to see.
3. Connect your calendar and email*, create the brief, iterate with the brief.
4. Set a task to register for MRKT 3533, Productivity Tools and Techniques, Spring 2027.
